

## Apprentice Carpenter Needed Immediately!

**B.D. Stevens**, one of Atlantic Canada's longest standing and most reputable construction firms, has an immediate need for an **Apprentice Carpenter** to join its Special Projects Division in Dartmouth.

To be involved in all aspects of construction from framing to finished carpentry, the ideal candidate will possess the following qualifications:

- Graduation from a community college carpentry course
- Apprentice carpenter with at least two years experience
- Wide range of carpentry skills
- Have their own vehicle and be able to travel to various job sites in HRM

The starting pay rate is \$18-20 per hour, depending on experience.

Interested candidates must send a formal resume by email to:
